RE: Liquidation following notification of ITC negative determination of critical circumstances for certain oil country tubular goods from India for Jindal SAW Limited (C-533-858-002).

1. On 09/02/2014, the U.S. International Trade Commission (ITC) determined that critical circumstances do not exist with respect to oil country tubular goods (OCTG) from India. As a result of the ITC's negative determination of critical circumstances, CBP should terminate the suspension of liquidation for all shipments of OCTG from India, produced and/or exported by Jindal SAW Limited (C-533-858-002) that were entered, or withdrawn from warehouse, for consumption on or after 04/19/2014 (which is 90 days prior to the date of publication of the final determination (79 FR 41967, 07/18/2014) through 07/17/2014. All such entries should be liquidated without regard to countervailing duties (i.e., return all cash-deposits).
2. Notice of the lifting of suspension of liquidation of entries of merchandise entered, or withdrawn from warehouse, for consumption before 07/18/2014 (the date of publication of Commerce final determination notice in the Federal Register) occurred with the publication of the ITC's final determination of its investigation (79 FR 53080, 09/05/2014). For all other shipments of OCTG from India, continue to collect cash deposits of estimated countervailing duties for the merchandise at the current rates unless instructed otherwise.
3. The interest provisions of section 778 of the Tariff Act of 1930, as amended, do not apply.
